MARA'S ALPINE PROGRAMS

The MARA program consists of five levels of training, each designed to refine and enhance the athlete's skills and knowledge of the sport.

The **Freestyle Ski Program** for ages 10 to 14 will emphasize strong fundamental ski skills as well as slope style and air.

The **Introductory Ski Program** is a 6 week Saturday program for **first time MARA participants** ages 6 to 12 wanting to "take a look" and see what MARA is all about.

The **Mighty Might Program** for six to twelve year olds is a one- or two-day per week option, dependent on the participant's age, skill level and desired commitment.

Our **Junior Program** for ages 13 and up is designed to meet the needs of the athlete by offering one-, two-, and three-day per week options.
